We believe in Jesus Christ, We believe in the Holy Spirit and He's given us new life. We believe in the crucifixion, we believe that He conquered death, We believe in the resurrection and He's coming back again." "Holy, Holy, Holy Lord God Almighty! Early in the morning our song shall rise to Thee". "Take me, mold me, use me, fill me, I give my life to the Potter's Hand. Call me, guide me, lead me, walk beside me, I give my life to the Potter's Hand." "Great is thy faithfulness, morning by morning, new mercies I see. All I have needed thy hand hath provided, Great is thy faithfulness, Lord, unto me."

And this just begins the phrases running through my brain as I attempt to express what fills my heart. "One heart, one spirit, one voice to praise you, we are the body of Christ. One goal, one vision, to see You exalted; we are the body of Christ". May this ever be our theme. May we "Turn our Eyes upon Jesus, look full in His wonderful face, and the things of earth grow strangely dim, in the light of His glory and grace."

**REMEMBER WHAT WE SING!**

As I look back over the past several years, so much has been a part of our walk together. You walked with me through my "retirement" from the Georgia Baptist Mission Board, when I wasn't ready for it. We've seen the merger of the Highland Church with us; the renovation of our Worship Center; the shutdown/startup because of COVID. We've experienced new families joining us and the departure of many we hated to see leave or were not ready to give up. Each event has tested our faith and caused our resolve to be stronger as we face each new day.

After 40+ years of being involved in Music Ministry in the church I've watched and participated in many changes within the music we sing and the way we sing it. I've gone from the days of piano/organ/choir singing primarily from the hymnal, to adding choruses and instruments and new songs and new rhythms and... The constant in all these changes has been the truth we sing. The texts of so many of these songs ring within my mind! As I begin each new day, I'm reminded that "I serve a Risen Savior that is in the world today. I know that He is living whatever men may say. I see His hand of mercy, I hear His voice of cheer, and every time I need Him, he's always near." I'm challenged by words like "May all who come behind us find us faithful" and "in this world of desperation, when all we know is doubt and fear, there is only one foundation, we believe in God the Father
