I love when God starts to finger paint...  
Autumn's glorious Colors with no holds or restraint.  
The colors splash about, vibrant shades of  
orange-red mingled with shiny slivers of a brilliant  
golden thread.  
As the rain begins to fall, the colors appear to run  
smeared across the horizon  
as the clouds hide the sun.  
The streets get all blotted , with crispy  
yellow leaves as they do their wind dance to soggy  
roads they cleave.  
I love when God's fingers begin their painting it  
reminds me of the glory he has for me awaiting!
