**BULLETIN UPDATE NOTICE**

For many years, First Baptist Church Blue Ridge has used Microsoft Publisher to create our weekly bulletin and a variety of other church publications. As of October 2026, Microsoft Publisher will be fully retired and discontinued, requiring us to transition to a new publishing format.

Beginning next Sunday, you will notice some changes as we begin using a new bulletin design. We appreciate your patience, understanding, and cooperation during this transition period as we learn and adapt to a new system.

While change can sometimes be challenging, it is often necessary, and we are committed to continuing to provide clear and helpful information for our church family.

Thank you for your grace and support as we make this change together.
